

This year our students will be taking the show to our audiences!

What is a Driveway Cabaret?

Our Driveway Cabaret will be a 50-minute performance featuring solos and duets. We will be asking private individuals to book a show to be held at their home, outside, with strict guidelines put in place for safety. You can see the booking information [here](#).

Performances may be held at other locations including an indoor location as long as attendance and safety guidelines are followed. We are also hoping to hold some free performances at public parks, pending the status of COVID-19 mitigations.

When will driveway Cabarets be held?

We are booking performances for June 10-13, June 17-20, and June 24-27.

Up to two performances may be scheduled per evening. Depending on the size of our cast students may not perform on all dates.

Rehearsals:

Much of the rehearsal process will be conducted via Zoom in deference to the performers and staff's health and safety. Given that most numbers will be solos, the actual hours spent in rehearsal will likely be modest compared to other CUTC shows. Rehearsals will typically be scheduled Sunday-Thursday evenings from 6-9pm and based on actor availability.

Other Information:

Driveway Cabarets will take place in Champaign-Urbana and surrounding areas. Actors will need to provide transportation to and from performances. If this is not possible, please let us know on the audition form, and we will do our best to make transportation arrangements.

If you have any questions, please email us at cabaret@cutheatreco.org.
